Advances in Physical Education (APE) is an international journal dedicated to the latest advancement of physical education. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of physical education.

**Subject Coverage**

This journal invites original research and review papers that address the following issues in physical education. Topics of interest include, but are not limited to:

- Athletics and outdoor sports
- Biomechanics
- Exercise physiology
- Health education
- History of kinesiology
- History of physical education
- Human anatomy
- Human physiology
- Indoor and outdoor sports
- Motor control
- Motor development
- Motor learning
- National traditional sports
- PE learning outcomes
- PE pedagogy
- PE teachers career
- PE teachers working lives
- Philosophy of physical education, dance, sport and kinesiology
- Physical activity
