**Advances in Historical Studies (AHS)** is an international journal dedicated to the latest advancement in the study of history. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of historical studies.

All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original paper covering a wide range of fields but not limited to the following.

**Historical**

History of science, Historical epistemology of science, History and epistemology of science, History and philosophy of science, Historiography, History of scientific ideas/thought, General history of science, Logic and foundations of science, Comparative history, Logics (classical/non-classical)

**Correlated**

**Sciences Involved in Historical Discourses**

Astronomy, Biology, Chemistry, Cosmology, Foundations, Mathematics, Medicine, Physics

**Notes for Intending Authors**

We are also interested in: 1) Short reports — 2-5 page papers in which an author can either present an idea with a theoretical background but has not yet completed the research needed for a complete paper, or preliminary data; 2) Reviews — Comments and critiques; 3) Proceedings/Special Issues/Monographs — Special peer-reviewed issues for colloquia, symposia, workshops in agreement with policy of AHS.
