<td></td>
</tr>
<tr>
<td>Stochastic Models and Statistics in Industrial and Business Applications</td>
<td></td>
</tr>
</tbody>
</table>

Other related topics are also welcome. All manuscripts must be prepared in English and are subject to a rigorous and fair peer-review process. AJIBM contains the following types of papers: (1) Research articles, show original research results that contribute to the theory, methodology, and applications of industrial and business management. (2) Invited reviews, present the developments in industrial and business management topics over the recent years.

**Notes for Intending Authors**

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
