

Announcement from Editorial Board

The following article has been retracted due to the investigation of complaints received against it. The Editorial Board found that the same contents have been published in another journal at the same time. The scientific community takes a very strong view on this matter, and the **Journal of Biomedical Science and Engineering** treats all unethical behavior such as plagiarism seriously. This paper published in **Vol.6 No.1 76-84, 2013** has been removed from this site.

Title: Semiautomatic detection of lanes and bands in DNA gel electrophoresis images

Authors: Ashraf K. Helmy, Ghada S. El-Tawel
