PRODUCTION INFORMATION

For manuscripts that have been accepted for publication, please contact:
E-mail: jss@scirp.org
The Open Journal of Social Sciences (JSS) is an open access, peer-reviewed international journal that deals with both applied and theoretical issues. Special Issues devoted to important topics in social science will occasionally be published. The main objective of JSS is to offer an intellectual platform to the international scholars and it aims to promote interdisciplinary studies in social science.

Editor-in-Chief
Prof. Aqueel Ahmad
Elon University, USA

Subject Coverage
The journal publishes original papers including but not limited to the following fields:

- Area Studies
- Behavioral Science
- Business Studies
- Communication Studies
- Criminology
- Cross-Cultural Studies
- Demography
- Development Studies
- Economics
- Education
- History
- Human Geography
- Information Science
- International Relations
- Law
- Library Science
- Linguistics
- Literature
- Political Science
- Population Studies
- Psychology
- Public Administration
- Sociology
- Women's Studies

We are also interested in: 1) Short Reports – 2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews – Comments and critiques.

Notes for Intending Authors
The submitted manuscript should not have been previously published in any form and must not be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, Please access the website.

What is SCIRP?
Scientific Research Publishing (SCIRP) is one of the largest Open Access journal publishers. It is currently publishing more than 200 open access, online, peer-reviewed journals covering a wide range of academic disciplines. SCIRP serves the worldwide academic communities and contributes to the progress and application of science with its publication.

What is Open Access?
All original research papers published by SCIRP are made freely and permanently accessible online immediately upon publication. To be able to provide open access journals, SCIRP defrays operation costs from authors and subscription charges only for its printed version. Open access publishing allows an immediate, worldwide, barrier-free, open access to the full text of research papers, which is in the best interests of the scientific community.

- High visibility for maximum global exposure with open access publishing model
- Rigorous peer review of research papers
- Prompt faster publication with less cost
- Guaranteed targeted, multidisciplinary audience
