PRODUCTION INFORMATION

For manuscripts that have been accepted for publication, please contact:
E-mail: ojcd@scirp.org
Open Journal of Clinical Diagnostics (OJCD) is an international peer-reviewed, open access journal publishing in English original research studies, reviews and case report in clinical diagnostics. Symposia or workshop papers may be published as supplements.

Open Journal of Clinical Diagnostics (OJCD) is an international journal dedicated to the latest advancement of clinical diagnostics. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of clinical diagnostics. All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Clinical Radiology
- Functional Diagnostics
- Laboratory Diagnosis
- Medical Imaging
- Physical Diagnosis
- Symptoms Diagnosis

We are also interested in: 1) Short Reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews—Comments and critiques.

**Notes for Intending Authors**

Submitted papers should not be previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. For more details, please access the website.
