All manuscripts must be prepared in English, and are subject to a rigorous and fair peer-review process. Accepted papers will immediately appear online followed by printed hard copy. The journal publishes original papers including but not limited to the following fields:

- Clinical Microbiology and Infection
- Clinical Virology
- Diagnostic Microbiology and Infectious Disease
- Medical Microbiology and Immunology
- Medical Mycology
- Medical Parasitology
- Medical Bacteriology
- Systematic and Applied Microbiology

We are also interested in: 1) Short Reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews—Comments and critiques.
