PRODUCTION INFORMATION

For manuscripts that have been accepted for publication, please contact:
E-mail: pp@scirp.org
Pharmacology & Pharmacy (PP) is a peer reviewed international journal dedicated to the latest advancement of pharmacology and pharmacy. The goal of this journal is to keep a record of the state-of-the-art research and to promote study, research and improvement within its various specialties.

Subject Coverage
The journal publishes original papers including but not limited to the following fields:

- Analytical Toxicology
- Biochemical Pharmacology
- Chinese Medicine Resources
- Clinical Pharmacology
- Drug Delivery System
- Drug Information
- Drug Metabolism
- Ethnopharmacology
- Health Informatics
- Herbal Medicine
- Immunopharmacology
- Medical Informatics
- Medicinal Chemistry and Pharmacognosy
- Molecular Pharmacology
- Neuropsychopharmacology
- Pharmaceutical Care
- Pharmaceutics
- Pharmacodynamics
- Pharmacoepidemiology
- Pharmacogenetics
- Pharmacogenomics
- Pharmacokinetics
- Pharmacology and Neuroimaging
- Pharmacotherapy
- Pharmacy Informatic
- Pharmacy Practice

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the PP.

Notes for Intending Authors
All manuscripts submitted to PP must be previously unpublished and may not be considered for publication elsewhere at any time during PP’s review period. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. Additionally, accepted ones will immediately appear online followed by printed in hard copy. For more details about the submissions, please access the website.
