PRODUCTION INFORMATION

For manuscripts that have been accepted for publication, please contact:

E-mail: psych@scirp.org
PSYCH is an international refereed journal dedicated to the latest advancement of Psychology. The goal of this journal is to keep a record of the state-of-the-art research and promote the research work in these fast moving areas.

Subject Coverage

This journal invites original research and review papers that address the following issues in Psychology. Topics of interest include, but are not limited to:

- Behavioral Psychology
- Biological Basis of Behavior
- Clinical Psychology
- Cognitive Psychology
- Counseling Psychology
- Cultural Psychology
- Economic Psychology
- Educational Psychology
- Engineering Psychology
- Environmental Psychology
- Ethics in Psychology
- Family Psychology and Couples Psychology
- Forensic Psychology
- Gerontology
- Health Psychology
- Intelligence Psychology
- Managerial and Leadership Psychology
- Military Psychology
- National Psychology
- Neuropsychology
- Political Psychology
- Professional Practice
- Psychological Assessment and Evaluation
- Psychology of Art
- Psychology of Religion
- Psychotherapy
- Safety Psychology
- School Psychology
- Scientific Psychology
- Social Psychology
- Sport Psychology
- Traffic Psychology
- Work, Industrial and Organizational Psychology
- Others

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the PSYCH.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
